Life-Threatening Allergy Management Plan (LAMP)

Permission to Carry and/or Self-Administer Epinephrine (if appropriate)

Name: _____ DOB: _____

I, as the Healthcare Provider, certify that this child has a medical history of severe allergic reactions has been trained in the use of the prescribed medication(s) and is judged to be capable of carrying and self-administering this medication(s). The nurse or the appropriate school staff should be notified anytime the medication/injector is used. This child understands the hazards of sharing medications with others and has agreed to refrain from this practice.

☐ Self-Carry

☐ Self-Administer

---

I will not hold the school board or any of its employees liable for any negative outcome resulting from the self-administration of said emergency medication by the student.

I understand that the school, after consultation with the parent(s) may impose reasonable limitations or restrictions upon a student's possession and/or self-administration of said emergency medication relative to the age and maturity of the student or other relevant consideration.

I understand that the school may withdraw permission to possess and self-administer the said emergency medication at any point during the school year if it is determined the student has abused the privilege of possession and self-administration or that the student is not safely and effectively self-administering the medication.
